

# Why Co-production?

➔ Promotes equality & inclusion

Some love it  
Some are not convinced

BETTER PROCESS:

Space for Creativity

➔ Open about money & decision making

BETTER RESULTS:

Co-production leads to better outcomes

New resources:

People are part of the solution

I've got lots of ideas, ask me!

➔ shared / joint outcomes

➔ Better use of money/resources

TOGETHER = BETTER:

Working together leads to more expertise, sharing & solutions

Different kinds of conversations

Involve new people!

➔ Positive outcomes

LEARN FROM THE PAST:

One size does not fit all

Great Question:

How will you know if you don't talk with people?

Money spent where it most makes a difference

I know what you need.

What do you think?
