Professional Gift vs Citizenship Models

The Person is in the driving seat

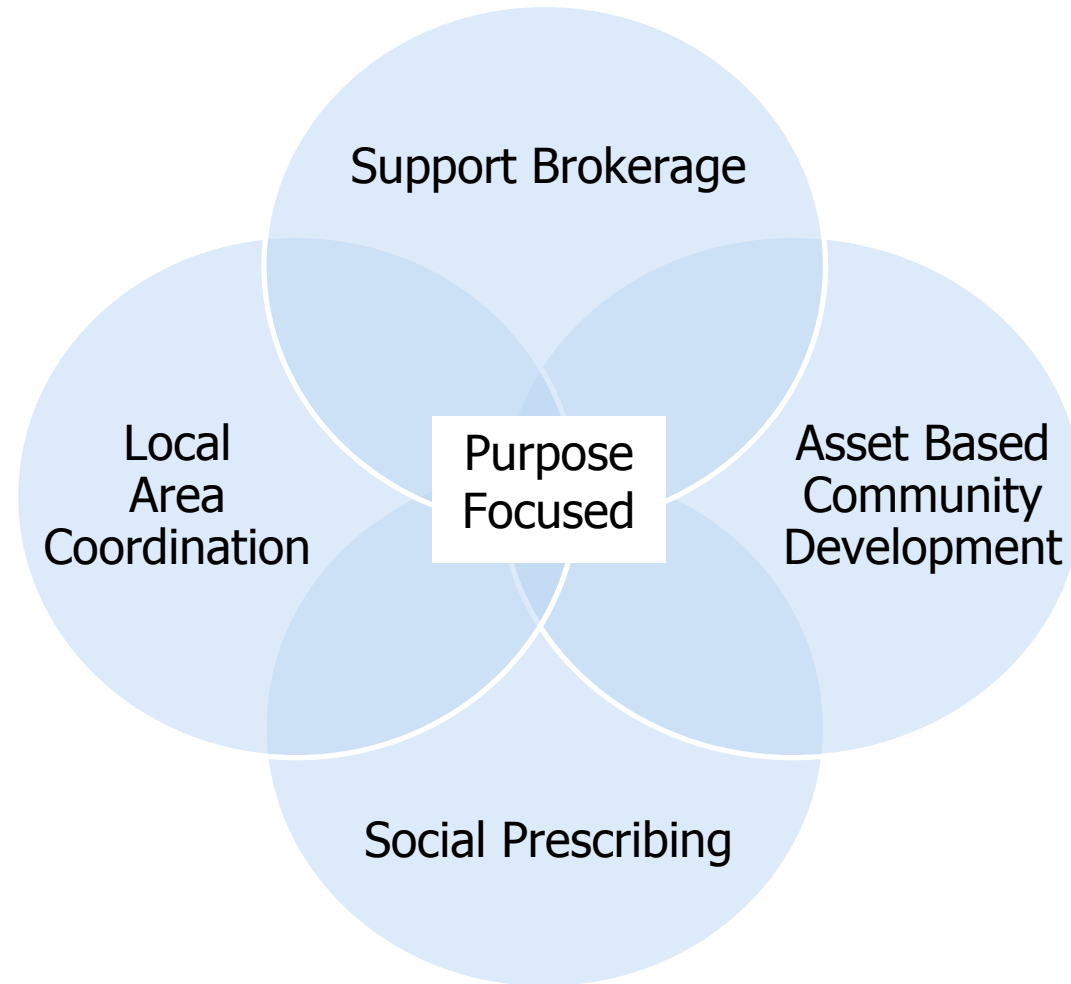

- Who is the expert?
- Recognising connections
- The person leads on what makes sense
- The person's voice is heard
- The power and control is with the person
- The person leads a life that makes sense to them

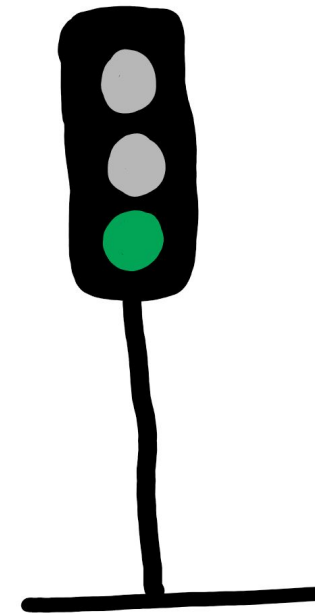

What is Support Brokerage?

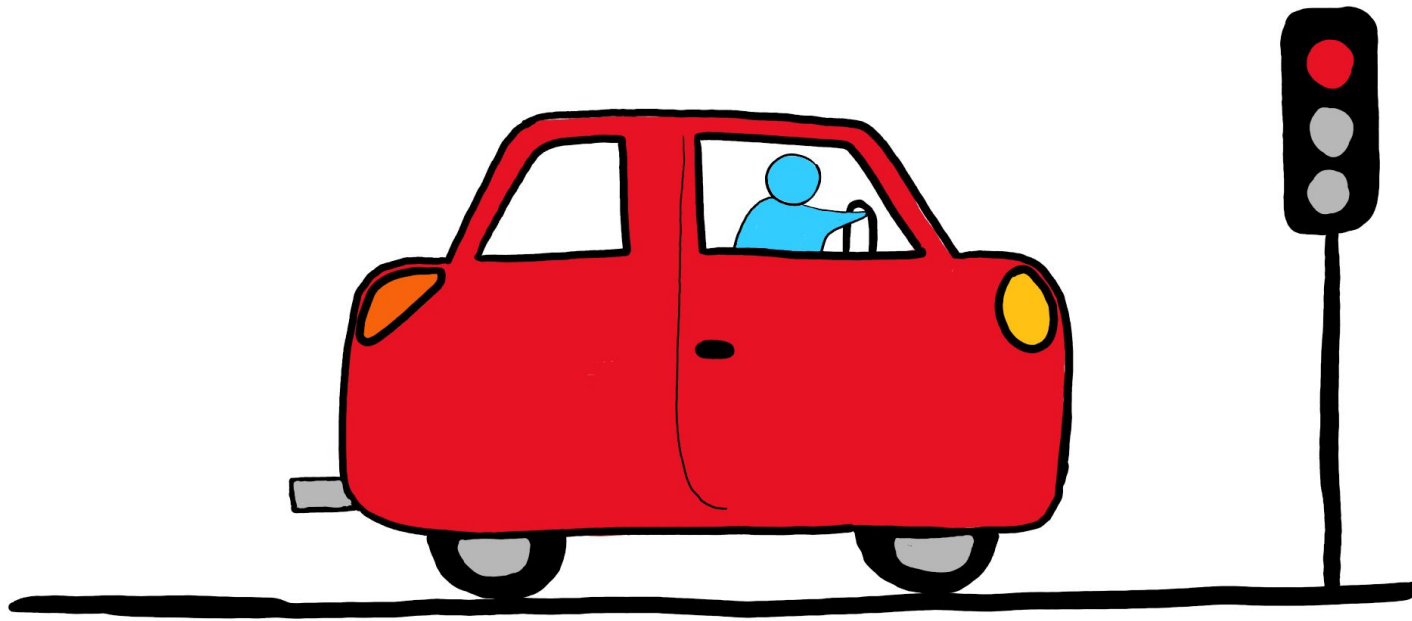

A Combined Approach

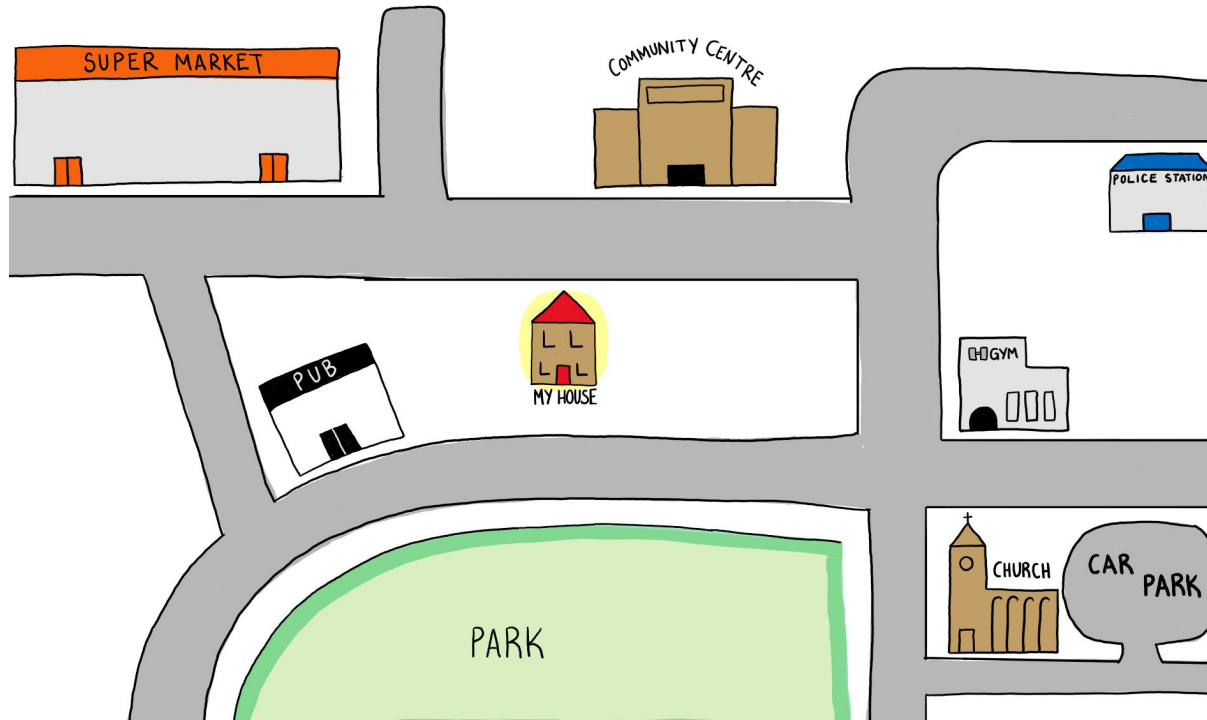

Resourcefulness

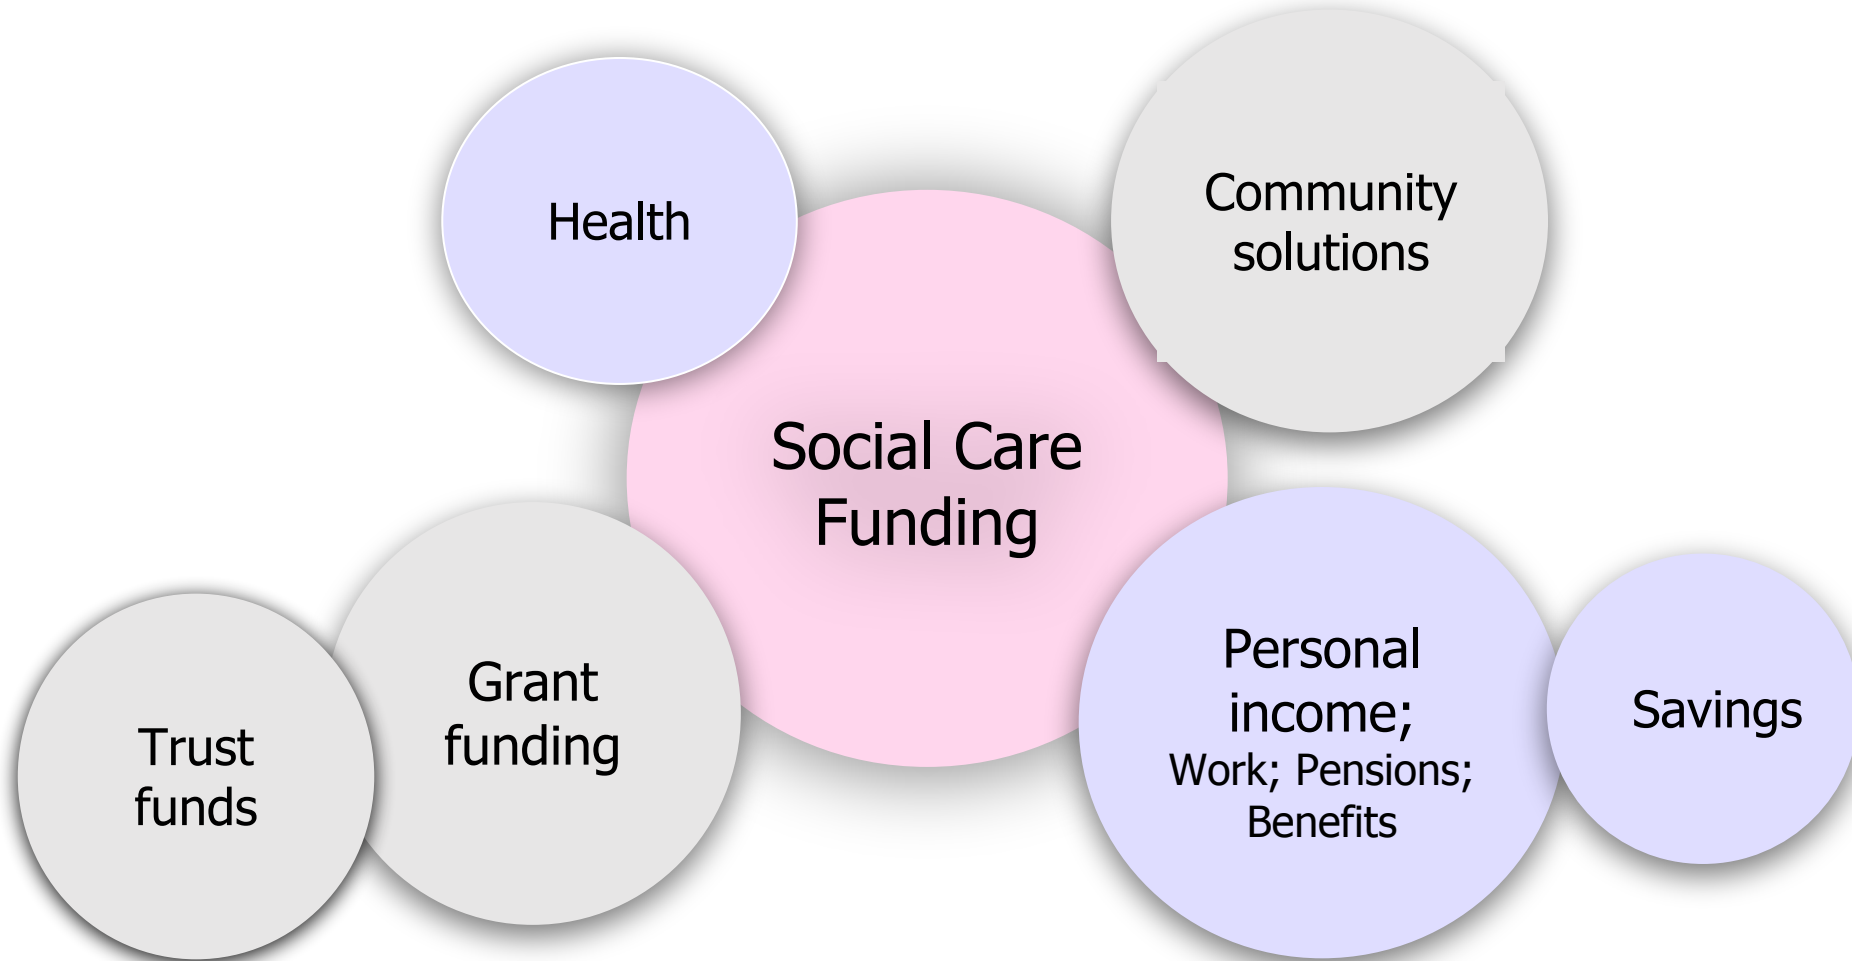

Community Focus

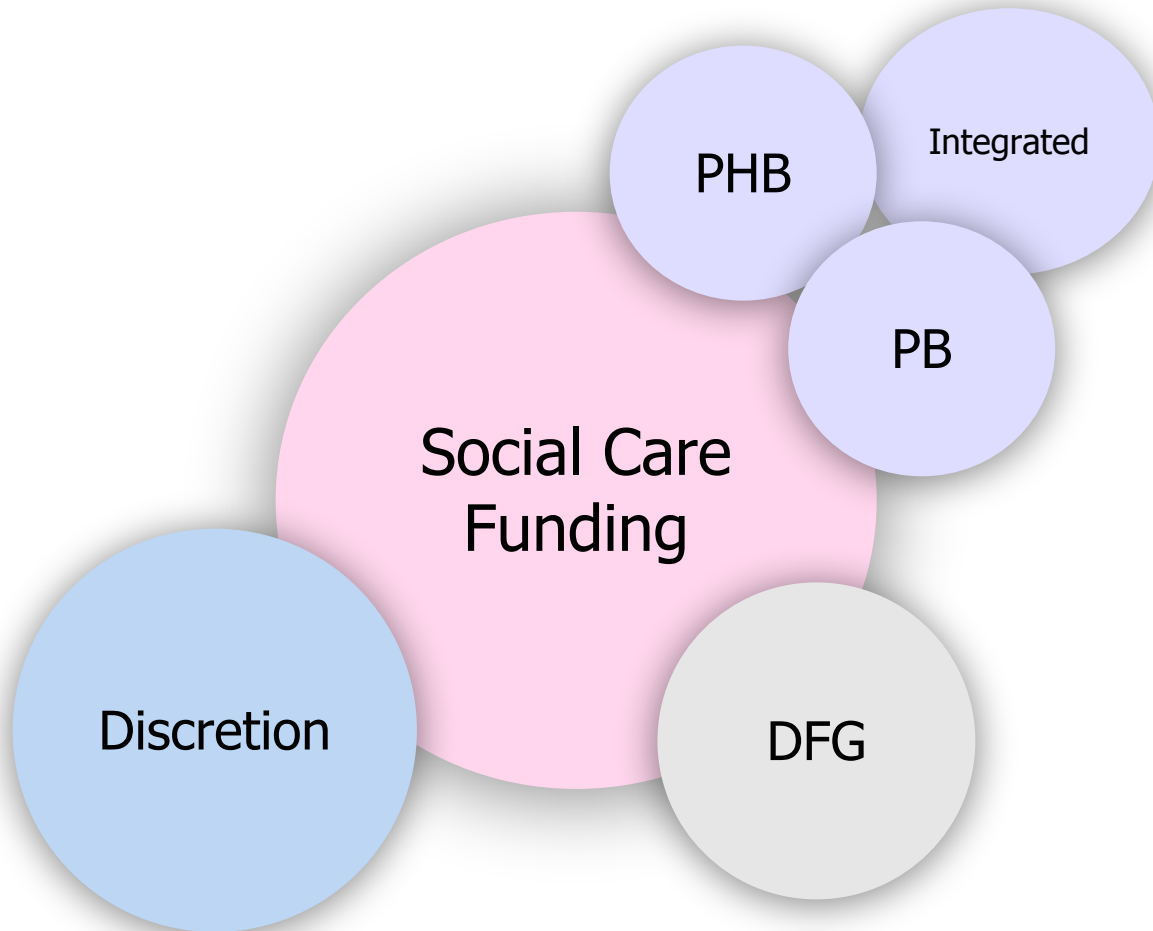

Real Relationships

Where are the resources?

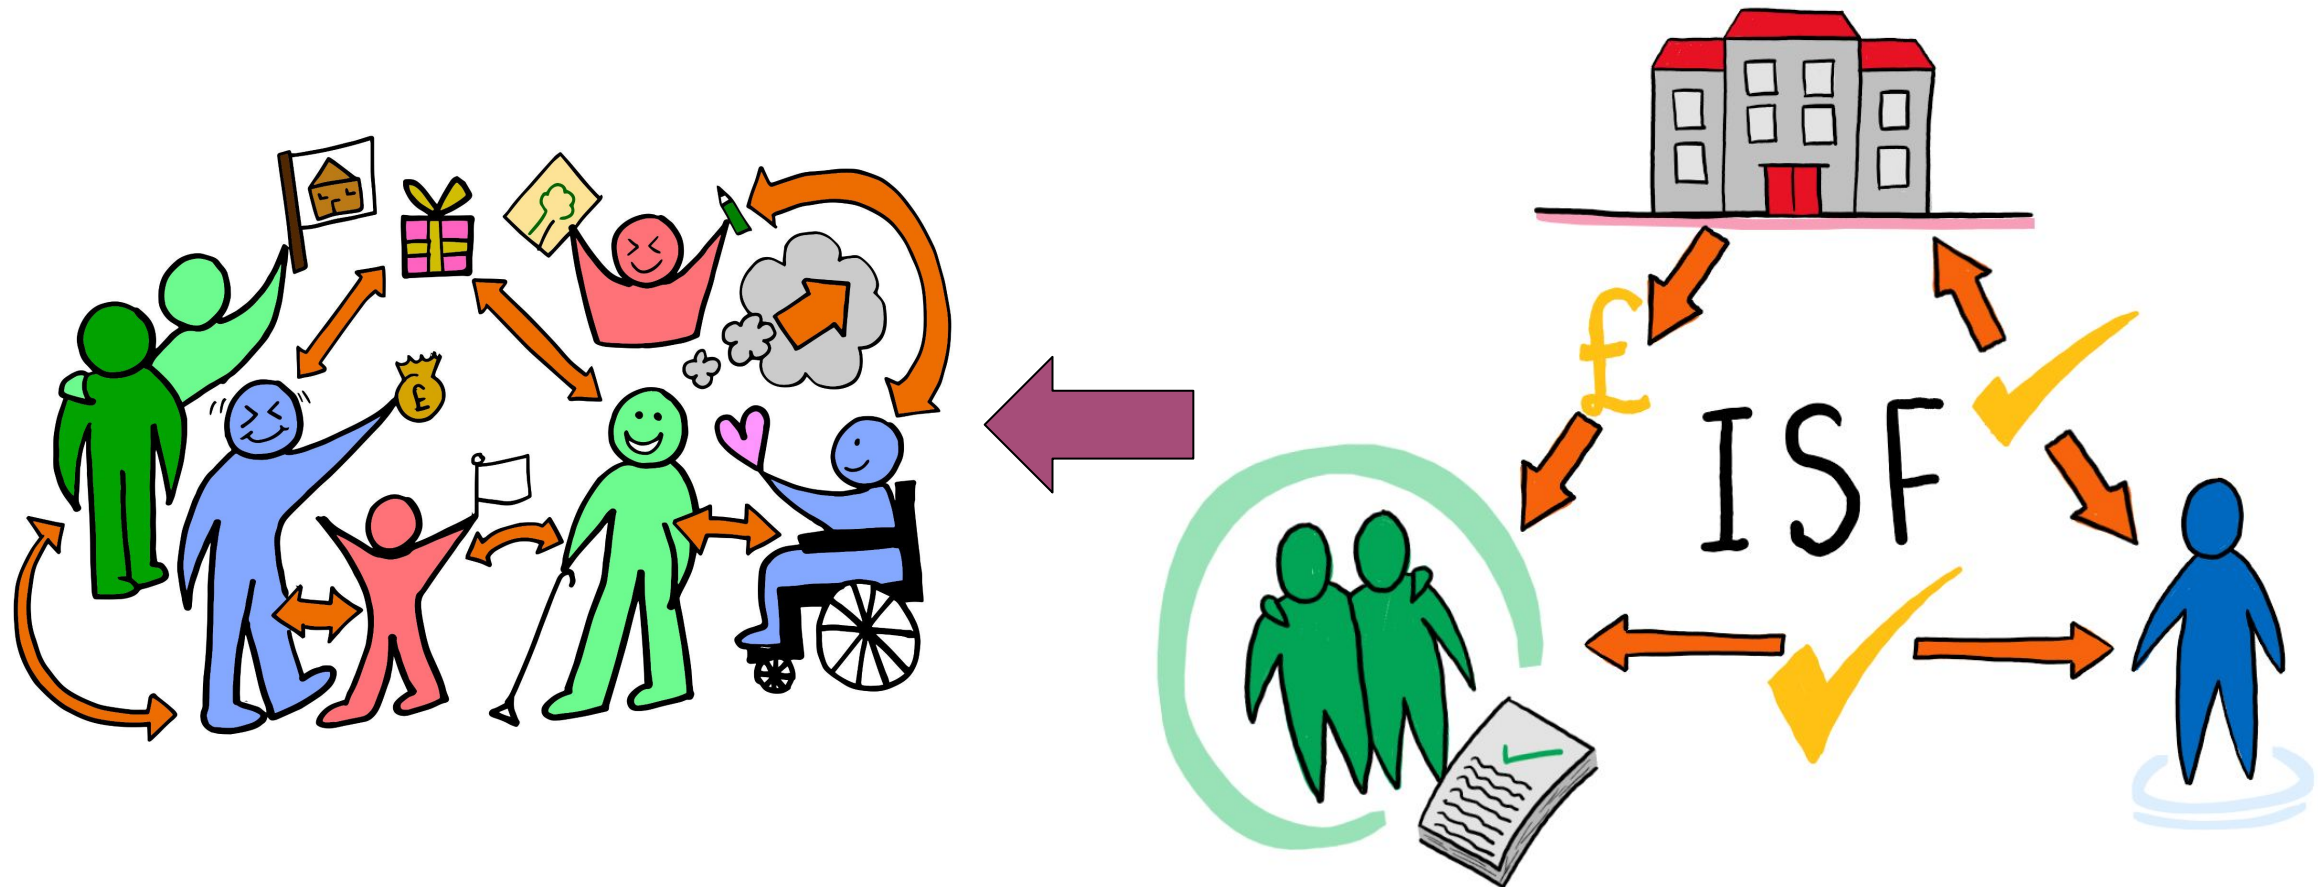

- Direct Payment
- Payment Card
- Managed Account
- Held in Trust
- Virtual Budget
- Individual Service Fund

Or a combination of

Support Brokerage & Individual Service Funds

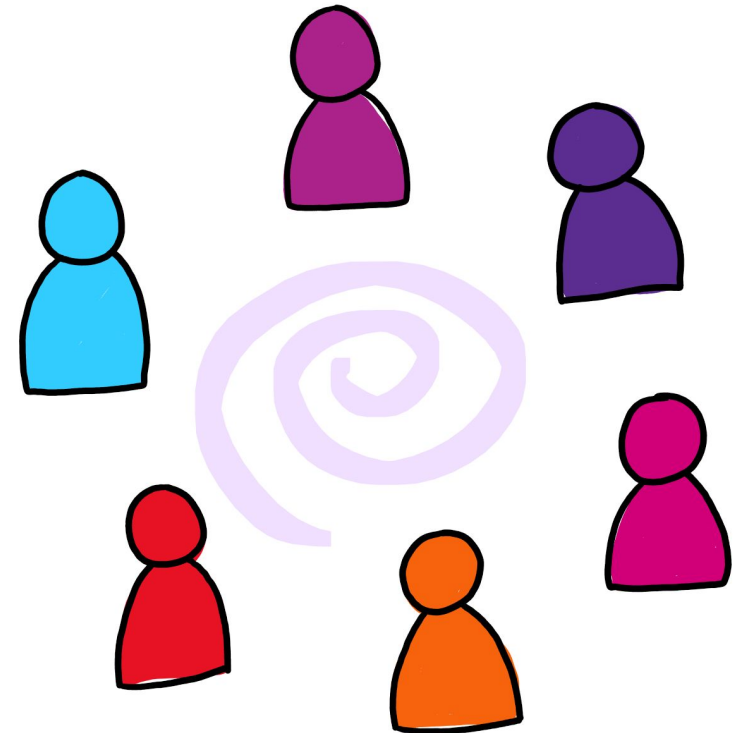

Circles of Support & Community Circles

People coming together for the purpose of offering genuine, informal support:

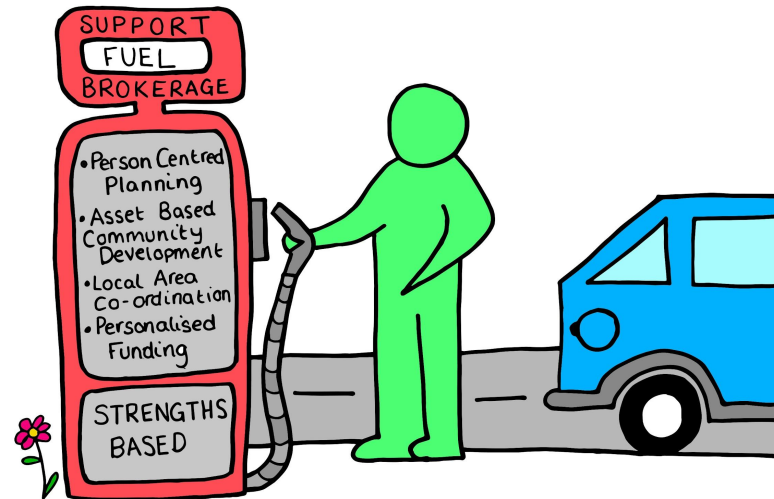

- Planning
- Local Knowledge & Connections
- Problem Solving
- Generating ideas
- Celebrating

The Person takes the lead, and receives support with facilitating and agreeing roles within the circle

Brokers Provide the Fuel for the Journey

- ★ Reduced isolation
- ★ Increased connection
- ★ Increased confidence
- ★ Sense of purpose
- ★ Reduced dependency on statutory provision
- ★ Active citizenship

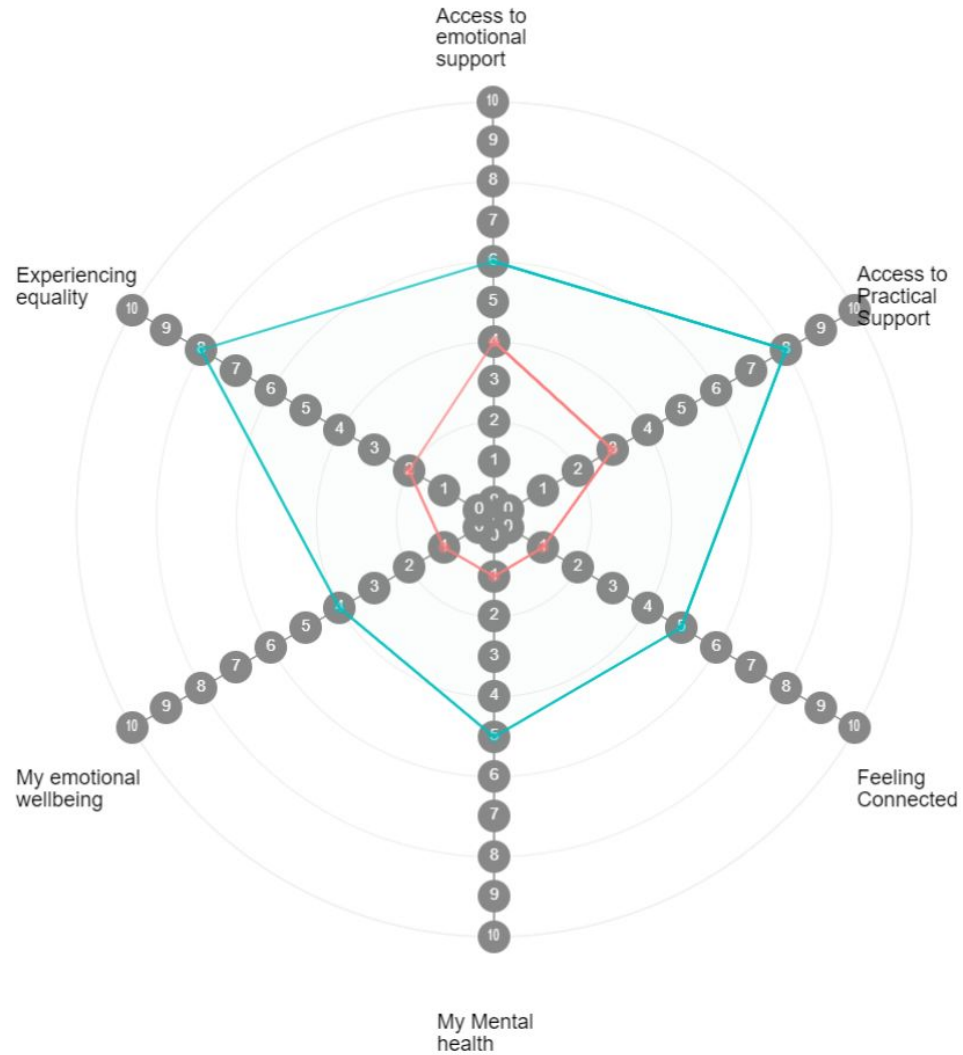

Broker =
 The person
 A family member
 A peer
 A community member
 Paid broker (independent or within an organization)

Marker of Success
