Providing support...your way

- Where we started
 1. Issues arising and what we did to address them
 2. The first sessions
- What we did this time
- Local work
- Big event
- How we will use to review progress and impact

Accessibility and inclusion

What Worked

- Good facilitation at tables
 - Spending time with people considering issues in a focused way
 - Voting- everyone was able to put forward their opinion on table and share it all over group
 - Prep information- points and information taken from PCR's well-presented accessible-specific
-
- Having Ben leading on some sections was really good.
 - The mix of people who attended the event and numbers. Everyone was happy to participate as the group wasn't too big.
 - The tables- having mixture of people we support, staff, family etc.
 - People were engaged and participated
 - Engaged during the event
-
- The pictures symbols worked well. Event seemed more accessible
 - Good use of photo symbols to reinforce/ clarify points and ideas.
 - Having photo symbols on table

Not working

- Length of the day for some
