LESSONS WORTH
SHARING

ISFS ARE A JOINT ENDEAVOUR - COPRODUCTION

CUT THE RED TAPE

- Use your systems and process to get you where you want to be
- If they don't work evolve them

KEYRING LEARNING - TOP TIPS 1

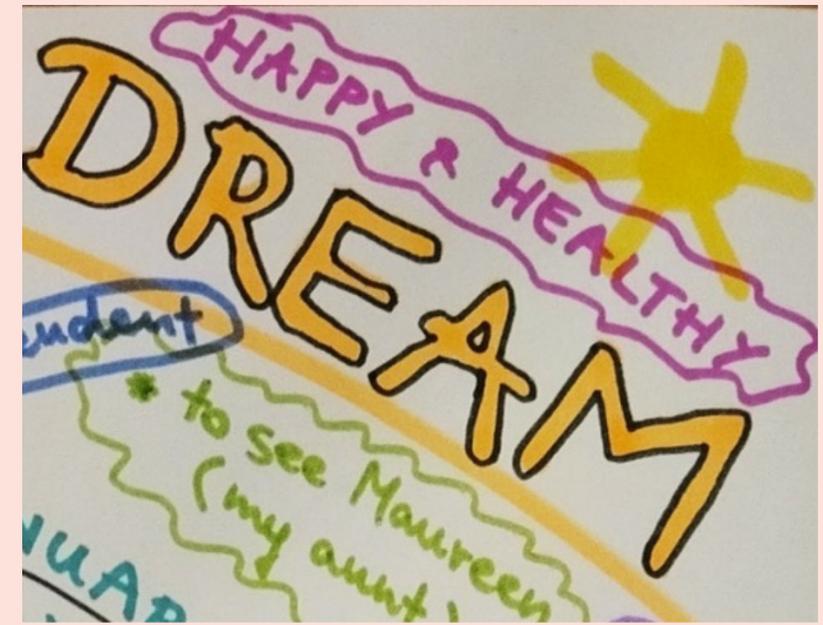

- Involve your providers
- Identify ISF Champions
- Talk to others
- Provide accessible info, use plain language
- Test and learn, then scale up

KEYRING LEARNING - TOP TIPS 2

- Don't rush co-production or roll out
- Check the skill set - are providers thinking innovatively?
- Work with proactive providers
- Be human - tell stories of the difference
- Communities of Practice

OUTCOMES & WHY ISFS WORK FOR US

- It builds on who we are
 - Connection
 - Choice
 - Flexibility (of resources and contracts)
- Virtual wallet finance system implemented
- Outcome monitoring
- Joint approaches with LAs and providers
- Embraced by KeyRing Members and staff

WHAT PEOPLE SAY

I have got
Brain in Hand

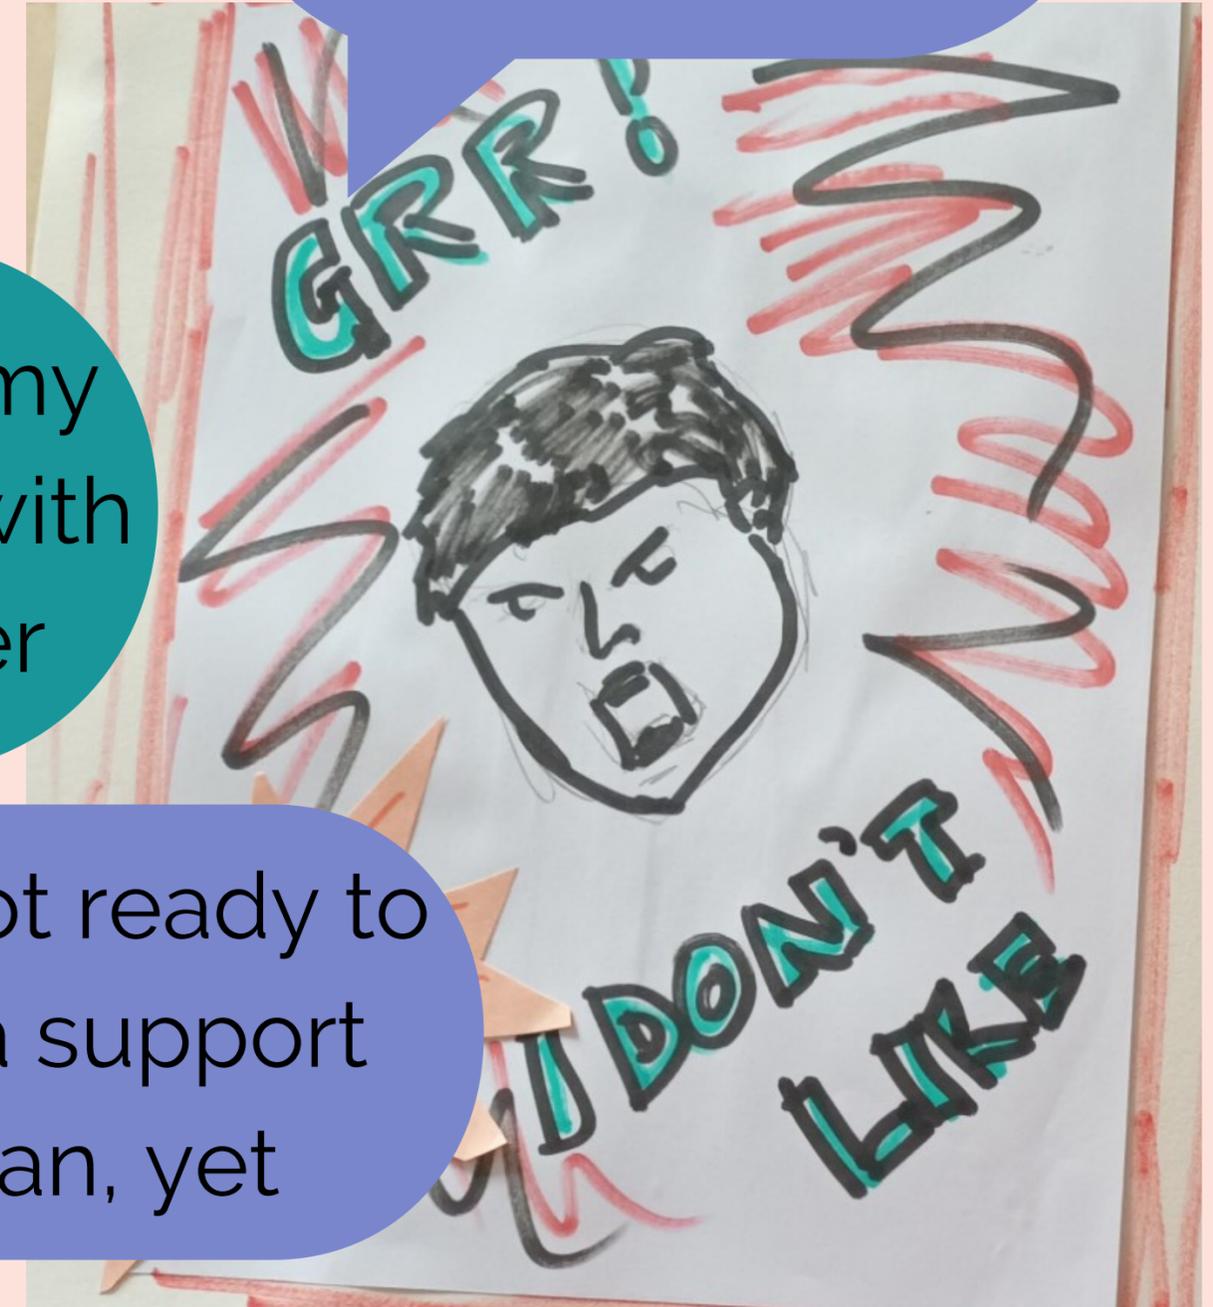

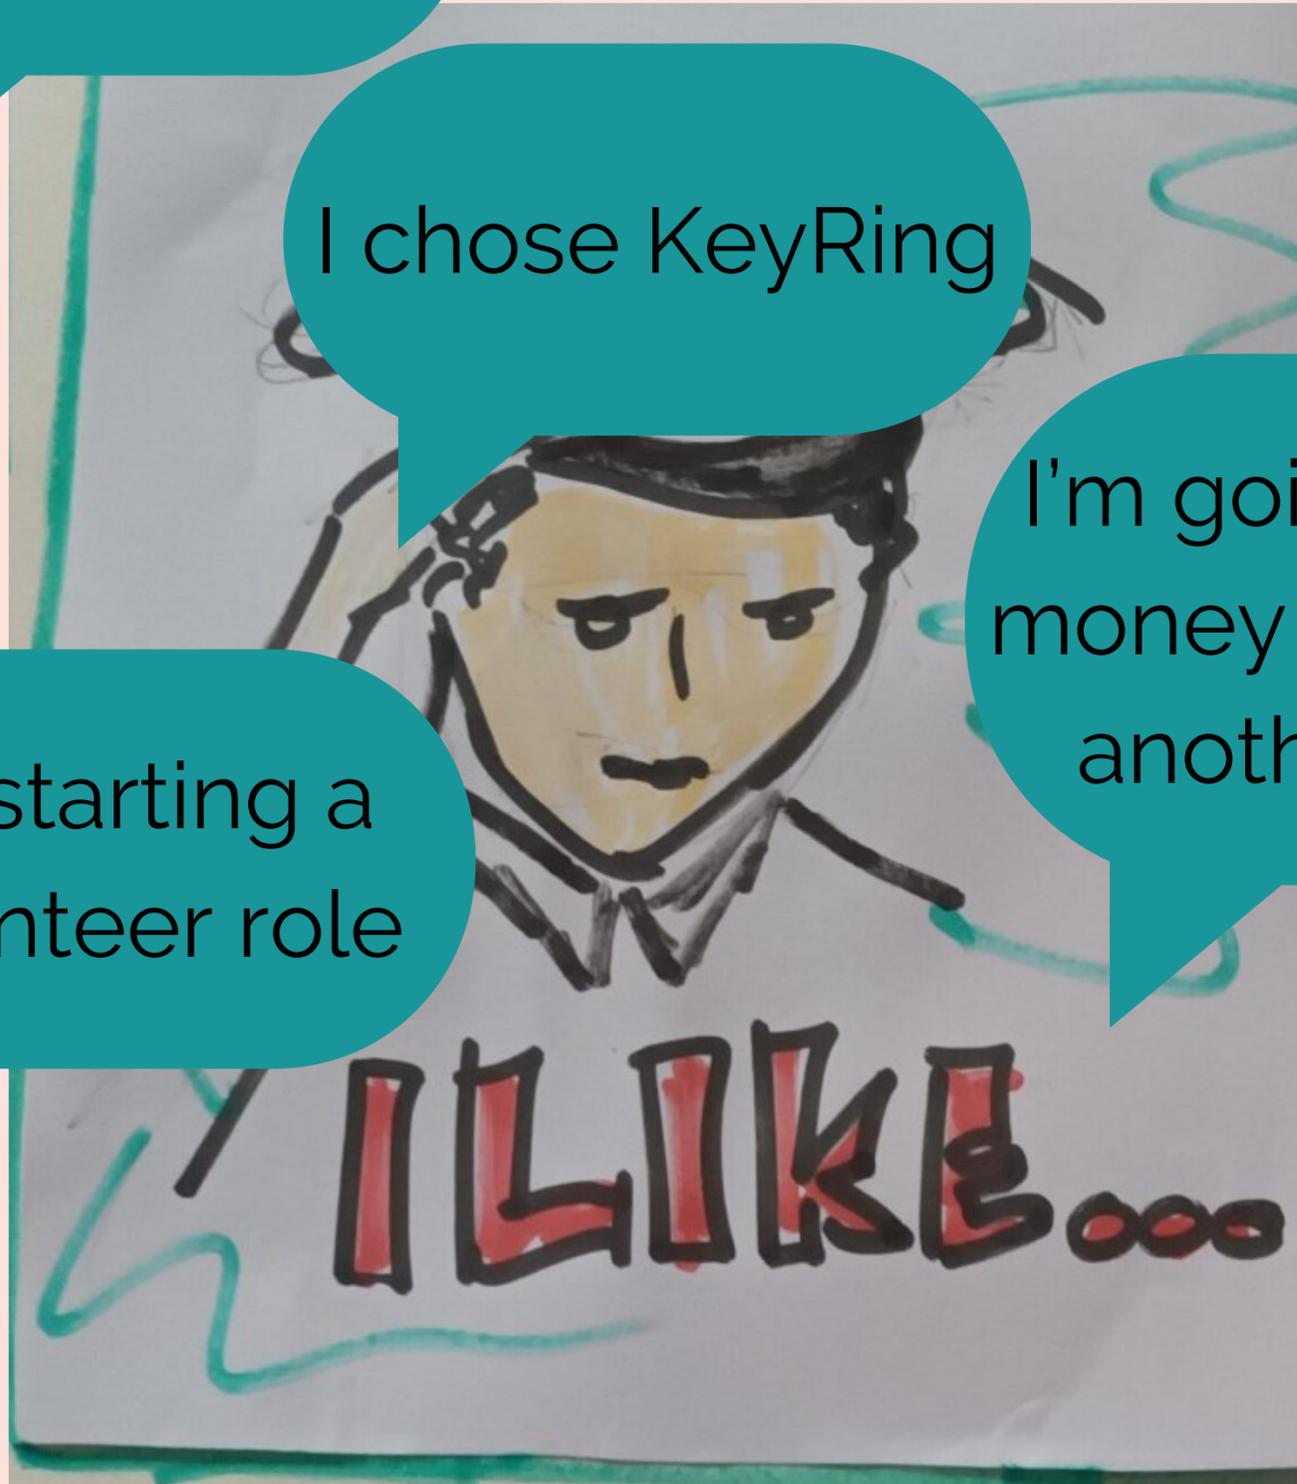

I chose KeyRing

I'm starting a
volunteer role

I'm going to put my
money together with
another Member

I'm not ready to
do a support
plan, yet

I don't understand
how the funding
works
