

***Great news for the Eastern Region Sector Led Improvement Programme - A special congratulations to Fran Leddra from Thurrock who has become one of three new Chairs of the national Principal Social Workers Network***

Fran is delighted to be one of the new Chairs of the national PSW network, alongside Tricia Pereira from Lewisham and Beverley Latania from Newham. Fran and colleagues will be representing social work on a national platform. The outgoing chair is Mark Harvey from Hertfordshire who has been a great support in the eastern region and has agreed to continue to offer his time as Fran makes the transition over to her new national role. Fran is pleased to be following in the footsteps of Mark.

Fran will also continue to co-chair the eastern regional PSW Network along with Sarah Range from Southend for the remainder of this year.

If you wish to get in touch with Fran, please see the below contact details:
